Thanksgiving day in large cities is always anxiously looked for by the

poor and neety.

(In this day of all others do the rich let loose their pocket strings. That is their way of returning thanks.

In New York the members of wealthy and cha itably dis osed families go about the highways and byways, leaving a little with this poor family and a little with that one. In this way all the poor are given a material reason to also join in the Tanaksgiving.

The offerings generally consist of money. The distribution of clothing and food generally takes place on Theories in a constant of the constant of the

Thanksgi ing eve. f course the money finds its way into the coffers of the saloon oftener than that of the grocer. But what matter it to the giver? He or she has done a kindly a.t. The amount distributed among the poor by the rich of New York Thanks-giving Pay is enormous. The Vanderhilts never give less than \$50,000. The oulds give a like amount. The Astors of en give as much as \$10,000. Perhaps the total amount would run

thicago millionaires always see that the poor within the city's gates are well cared for on the National Thanksgiving lay.

Statesmen and politicians seldom forge; the needy on this day. Prob-ab y the most oberal figure in political life is Gen. Alger of Mickigan. He manages to spend between 250,000 and \$100,000 a year among the poor of De troit and other cities. The great por tion of this is distributed on Thanks giving Day.

Perhaps a hint as to how the tasto for map study may be developed will be acceptable. Begin with a map of your own region, on which the heights as well as the horizontal durrations that die without a pane of glass in the studies to be finded. It seems to be finded. How to Succeed. This is the great problem of life which few satisfactorally solve. Some fail because of poor health, others want of luck but the majority from deficient grit—want of nerve. They are nervous, friesoluce, changeable, easily get the blues and "take the sphiris down to keep the splifts up," thus was fing money, time, opportunity and nerve force. There is nothing like the Restorative Nervine, discovered by the great specialist Dr. Miles, to cure all nervovs diseases, as headache, the blues, nervous prestration, sleeplessness, nouralgin, St. Vitus dance, fits, and hysteria. Trial bottles and fine book of testimonials free at Miller & Case.

Startling Facts. The American people are rapidly becoming a race of nervous wrecks, and the following suggest the best remedy: Alphonso Hempfling of But-ler Pa. swears that when his son was peechless from St Vitus dance Dr. Miles' great Restorative Nervine cured him. Mrs. J. Niller of Nalparaiso and J. Taylor of Logansport, Ind., each gained 20 pounds from taking it. Mrs. H A Gardadr of Vistula, Ind. was cured of 40 to 50° convulsions a day and much headache and backache by one bottle.
